TRIP ITINERARY: for 6-day trips

Arrival Day: ABO's six-day adventure trip begins with arrival at ABO Lodge & Headquarters in Big Timber, Montana at 4:00 pm the day before your trip begins. This meet and greet evening includes dinner, lodging, introduction of guides and time for questions and answers about your trip.

Day 1: The following day you will arise to a hearty breakfast before departing to ABO's camp at Independence. This day will include caravanning by vehicle from the ABO Lodge to the trailhead which takes 1 ½ to 2 hours, then riding 1 ½ to 2 hours on horseback to Independence. We provide you with a sack lunch to enjoy along the way. The afternoon, evening and night will be spent at Independence where you can rest, fish, hike or become
more familiar with your horse and the backcountry. Accommodations will be in a comfortable tent camp with meals provided by our camp cook.

**Day 2:** After a good breakfast, you will mount up and ride 4 ½ hours to ABO’s camp, Hellroaring. The scenery is magnificent on this ride. We will take a break on top of the Hellroaring Divide, a ten-thousand-foot pass for which you will want to have your cameras handy. We should arrive camp around two o’clock which will give you plenty of time to settle in to your tent, fish and explore before our evening meal and campfire.

**Day 3, 4, & 5:** The next 3 days you will spend grizzly bear & wolf hunting with your camera.

**Day 6:** Upon arising, you will turn your duffels over to the mule packers and head to the eating tent for your last Hellroaring breakfast. Full and satisfied you will mount the horse with which you have shared a lot of mountain hours and follow your guide out of the mountains to Box Canyon. This ride takes about 5 ½ to 6 hours. The mules will be packed with your gear once you are on your way to Box Canyon. When you arrive at Box Canyon, you will leave your horse with the wranglers and drive to the ABO Lodge in Big Timber to rest, relax and enjoy a well-earned feast.

You will arrive at the lodge before your gear. It does not matter how proficient the wranglers, a pack string of mules and the mountains present constant challenges, so plan to bring with you out of the mountains, your medication or whatever you will need for that evening, as occasionally they do not arrive at the lodge with your gear until late.

**Departure Day:** Enjoy a final breakfast in the ABO Lodge dining room. Check out is by 10:00 am. Your ABO adventure will have ended, but we hope we will have provided an experience that allowed you a retreat in the solitude and wonder of the Absaroka Beartooth Wilderness.

**Our 5-day trip is the same as the 6-day trip minus the stay at Independence. Our first night on the 5-day trip is spent in Hellroaring.**

Wilderness Horse Pack Trip Information

This trip is for the true adventurer. Accessed only by horseback, you will ride over a 10,000-foot pass followed by a pack string straight out of the old west and descend into beautiful Bull Moose Meadow and our camp, Hellroaring. You are now among the lucky few who get to experience the splendor and solitude of Hellroaring.

Your location is 8 miles north of Yellowstone National Park in the heart of the Absaroka-Beartooth Wilderness. Not to fear, our guides will escort you every step of the way. You will find them knowledgeable, skillful and HELPFUL. Your ONLY CARE will be to photo hunt, have fun and enjoy what is justifiably called “God's country.”

Our recommended 6-day trip allows us one day to pack into Independence, the following day a ½ day riding to our Hellroaring Camp, 3 full days to photo hunt out of Hellroaring, and one day to pack out. The horse pack trip to camp is approximately 4 ½ hours through magnificent country. Our string of horses and mules are dependable. Previous riding experience is helpful but not required.

Once in camp, you can relax by the creek and enjoy beautiful Bull Moose Meadow. Your sleeping accommodations are in comfortable, carpeted, wall tents with foam padded cots and wood stoves. Propane lanterns are available, but most people prefer their head lamps. There are 2 to 4 people per tent. A hot shower is also available. We eat in a central eating tent with delicious food prepared by our camp cook.

Our wilderness photo safaris take you through rugged, rigorous country. This rough and remote area is prime habitat for elk, mountain goat, bighorn sheep, moose, black bear, grizzly bear and wolf. The landscape varies from large open meadows to lightly timbered south slopes and long benches. Our guides are knowledgeable in the habits of the animals, experienced outdoorsmen and know the area extremely well.

A typical day of “photo hunting” consists of an early breakfast, most of the day spent in the saddle tracking and glassing and then returning to camp that evening for spirits, a hearty supper, perhaps a hot shower and a good night sleep. Some days we will “hunt” until late morning, return to camp, and then “hunt” again in the late afternoon until dark. Other days we will stay out all day. Walking and/or riding are mandatory. Being in good condition for
hiking and riding and bringing along a good pair of binoculars will help you have more success viewing and photographing the animals.

The weather in July and August is usually very comfortable. Daytime temperatures range from 60 to 80 degrees. On clear nights the temperatures can range from 20-40 degrees; however, the Absaroka-Beartooth Wilderness weather is variable, so we ask our clients to come prepared for the changing temperatures.

The most important thing to remember is a great attitude. Be ready to enjoy an adventurous trip and the special things the mountains have to offer. This will be one for the memory book!

Deposit, Payment and Refund Policy

A deposit of 50% of the trip is required to book your reservation. This deposit is non-refundable. The balance of the trip is due 30 days prior to trip date and is nonrefundable. Trips not fully paid by this date will be considered cancelled. We recommend Trip Cancellation Insurance. Montana Outfitters & Guides Association suggests Global Rescue travel insurance.

If you plan to extend your trip, we recommend the following hotels.

**BIG TIMBER, MONTANA**

**The Grand Hotel Bed and Breakfast** is a charming and beautifully renovated historical hotel in downtown Big Timber. The hotel provides a wonderful full breakfast but not before 8:00 am. It has a well-stocked vintage bar which serves lunch and dinner. But for those with a “grander” palette it sports a fabulous restaurant that serves delicious gourmet dinners. The dining room is very popular so be sure to **make a reservation**.

**BOZEMAN, MONTANA**

**The Holiday Inn Express Hotel & Suites Bozeman West** ([www.holidayinnexpress.com](http://www.holidayinnexpress.com)) (406-582-4995).

The **Holiday Inn Express** is a small, friendly hotel conveniently located at 2305 Catron Street. The Inn has a breakfast bar that opens at 5:30 each morning, comfortable rooms, pool and exercise facility. They provide shuttle service to the airport. Make your reservations early. The **C’mon Inn’s** heavy timbered look with Montana’s big game animals perched on rocks and above waterfalls has the charm and feel of a mountain lodge. Comfortable rooms, an indoor pool, several hot tubs, a breakfast bar and shuttle service to the airport leave you wanting for little. The Outback Steakhouse is conveniently located next door. The C’mon Inn is located off Interstate 90 at Exit 305 on East Valley Center Road.
