## Archery on Big Timber Ranches

The Big Timber Ranch hunts are located just minutes outside of Big Timber, MT on thousands of acres of rolling hills with flowing creeks. Elk and deer roam the countryside in healthy populations. Most of the Big Timber ranches are hunted with a General License. A few locations require a special permit for elk. One such ranch is 20,000 acres of rolling hills just twenty minutes north of Big Timber in the foothills of the mountains. Though this is a special permit area for elk, if you are lucky enough to draw a permit, there are opportunities for trophy bulls. All antelope hunts require a special permit. We take a limited number of hunters to provide the best hunting experience. Our ranch hunts are fully guided, spot and stalk hunts. We use 4x4 vehicles to access the ranches we hunt. Accommodations include a comfortable lodge in Big Timber with all meals provided.

# Hunting Licenses And Permit Information

(For more information on license & permit prices refer to the General Hunting Information Packet or go online to Montana Fish Wildlife and Parks, [www.fwp.mt.gov](http://www.fwp.mt.gov).)

**Resident and Non-resident hunters will need general licenses for elk and deer for most of the ranches we hunt.** These include the Lazy EL Ranch and the majority of the Big Timber Ranches. However, we do have the opportunity to hunt a few special elk permit ranches around Big Timber. Hunters who want to hunt the special elk permit ranches will need to apply for an elk permit for those areas. (Special Permit Areas listed under hunt dates in the Big Timber Ranches offerings.)

**To apply for a special elk or deer permit you must first apply for a general elk/deer license through the draw. You can apply for both the general draw and a special permit at the same time.** Remember most our private land ranches are hunted with a general elk/deer license, so you will still be able to hunt if you do not draw a special elk permit area.

**Archers will need to purchase a bow & arrow license after the draw is posted in mid-April and they know they have drawn a license.** If you purchase it at the same time you apply for the draw, then you will be purchasing two conservation licenses, one, with your bow & arrow license and another with your Big Game Combo License. A conservation license is included with the Big Game Combo license. This is not a deal breaker, but it will just cost you an extra ten dollars.

**Before you go online to apply, be aware of the following two requirements.**

**Hunter Education Requirements for Archery & Rifle Hunters - If you were born after January 1, 1985,** you are required to show proof of completing a Montana hunter safety and education course or an approved hunter safety course from any other state or province prior to applying for or purchasing a hunting license, whether the hunting licence is for the rifle or archery season. **When you apply online for your license, you will need to have your certificate number, the date you received it and the state in which you received it as proof that you have completed a hunter safety course.**

ABOADVENTURES.COM

**Bow Hunter Education requirements:** To purchase a Montana Bow and Arrow license, a hunter must: provide a certificate of completing the National Bowhunter Education Foundation Course, or provide any prior year's bowhunting/archery stamp, tag, permit, or license from any state or province. If you can no longer produce this license, for a \$5 fee you may sign an affidavit stating that you previously held such a license. The affidavit is available at all MFWP License Providers. The affidavit entitles you to purchase a current year's Montana Bow and Arrow license.

For more information about licensing and how to apply for the draw, see the General Hunting Information Packet.

**Our ABO staff is ready to assist you with any questions you may have about hunting in Montana with our outfit. Our office will walk you through each aspect from booking, to licensing to arrival and everything in-between.**
