**Wilderness Fly Fishing Pack Trip**

This trip is for the angler adventurer. Accessed only by horseback, you will ride over a 10,000-foot pass followed by a pack string straight out of the old west and descend into beautiful Bull Moose Meadow and our camp, Hellroaring.

At this point you will be on scenic overload but that will not stop your eyes from lighting up when you realize the three forks of Hellroaring Creek meet right at camp. You are now among the lucky few who get to experience the solitude and abundant fly fishing of Hellroaring.

Your location is 8 miles north of Yellowstone National Park in the heart of the Absaroka-Beartooth Wilderness. Not to fear, our guides will escort you every step of the way. You will find them knowledgeable, skillful and HELPFUL. Your **ONLY CARE** will be to catch fish, have fun and enjoy what is justifiably called “God's country.”

Those who just want to ride, relax, read, backpack, bird watch, photograph or paint will prove just as satisfied as the angler.

P.O. BOX 318 • BIG TIMBER, MT 59011 • (406) 579-3866 • CAMERON@ABOADVENTURES.COM
Hellroaring camp accommodations consist of comfortable, roomy, carpeted, wall tents with wood stoves, cots with foam pads, a hot shower, a roaring campfire and first-class meals prepared by our camp cook.

TRIP ITINERARY: FOR A 6 DAY TRIP

Arrival Day: ABO's six-day fishing excursion begins with arrival at ABO Lodge & Headquarters in Big Timber, Montana at 4:00 pm the day before your trip begins. This meet and greet evening includes dinner, lodging, introduction of guides and time for questions and answers about your trip.

Day 1: The following day you will arise to a hearty breakfast before departing to ABO's camp at Independence. This day will include caravanning by vehicle from the ABO Lodge to the trailhead which takes 1 ½ to 2 hours, then riding 1 ½ to 2 hours on horseback to Independence. We provide you with a sack lunch to enjoy along the way. The afternoon, evening and night will be spent at Independence where you can rest, fish, hike or become more familiar with your horse and the backcountry. Accommodations will be in a comfortable tent camp with meals provided by our camp cook.

Day 2: The following day after a good breakfast, you will mount up and ride 4 ½ hours to ABO's camp, Hellroaring. The scenery is magnificent on this ride. We will take a break on top of the Hellroaring Divide, a ten-thousand-foot pass for which you will want to have your cameras handy. We should arrive camp around two o'clock which will give you plenty of time to settle in to your tent, fish and explore before our evening meal and campfire.

Day 3, 4, & 5: The next three days you will spend fishing the Middle Fork, West Fork and East Fork of Hellroaring Creek and Carpenter Lake. This area is so remote, it is rarely fished by another human other than our clients. It is truly a fishing paradise.

Day 6: Upon arising, you will turn your duffels over to the mule packers and head to the eating tent for your last Hellroaring breakfast. Full and satisfied you will mount the horse with which you have shared a lot of mountain hours and follow your guide out of the mountains to Box Canyon. This ride takes about 5 ½ to 6 hours. The mules will be packed with your gear once you are on your way to Box Canyon. When you arrive at Box Canyon, you will leave your horse with the wranglers and drive to the ABO Lodge in Big Timber to rest, relax and enjoy a well-earned feast. You will arrive at the lodge before your gear. It does not matter how proficient the wranglers, a pack string of mules and the mountains present constant challenges, so please plan to bring out of the mountains with you, your
medication or whatever you will need for that evening as occasionally they do not arrive at the lodge with your gear until late.

**Departure Day:** Enjoy a final breakfast in the ABO Lodge dining room. Check out is by 10:00 am. Your ABO adventure will have ended, but we hope we will have provided an experience that allowed you a retreat in the solitude and wonder of the Absaroka Beartooth Wilderness.

*Our 5-day trip is the same as the 6-day trip minus the stay at Independence. Our first night on the 5-day trip is spent in Hellroaring.*

✔ **GUESTS FLYING**: Plan to fly into the **Bozeman International Airport** (BZN) the day before your trip begins. The following airlines service Bozeman:

   - Delta 1-800-325-1999
   - Alaska 1-800-252-7522
   - American 1-800-433-7300
   - United 1-800-864-8331

   The service is usually very good into Bozeman. However, this is a college town, home to Montana State University, so make your reservations early. Check out **Montana Travel** (1-800-247-3538) or (info@mttravel.com) for some of the best air fares available. Remember, Bozeman is on Mountain Time so keep that in mind when making your travel arrangements.

✔ **If you are flying** do not make your outbound flight **too early**. Remember, you are an hour and 15 minutes from Big Timber to the Bozeman airport. **Add 1 ½ to 2 hours for airport check-in and rental car return.** Plan on leaving Big Timber 3 hours before your flight time.
We recommend you rent a car. It is an easy drive from the Bozeman airport east on Interstate 90 to Big Timber. It is a very busy time of year and all our “hands” are busy preparing a great adventure for you.

If you have the time, arrive a day or two early or stay a day after your ABO trip to enjoy some of what Bozeman and Big Timber offer. Bozeman and Big Timber are delightful old western towns.

Big Timber has 5-star dining at the Grand Hotel and the best Huckleberry Milkshake you will ever experience at the Frosty Freeze! Check out McLeod Street for fun and unique shops with great prices. Don't miss Gusts Department Store (it will take you back in time), Cinnabar Creek for a great espresso and gifts, the Bakery for yummy treats and many other fun shops. Sweet Cast Angler is a good place to pick up any extra flies or fishing supplies. The Fort offers any last-minute needs from sleeping bags, hunting & fishing gear, gifts, food and “spirits” to name a few. Take in the real flavor of Montana at The Timber Bar with its delicious “made in house” food and top it all off with a broad assortment of both local and national refreshing craft beers.

Bozeman has great restaurants, wonderful art galleries, the Museum of the Rockies, a fabulous shop on Main Street called Go West and many other fun places to shop and visit.
If you plan to extend your trip, we recommend the following hotels.

BIG TIMBER, MONTANA

The Grand Hotel Bed and Breakfast is a charming and beautifully renovated historical hotel in downtown Big Timber. The hotel provides a wonderful full breakfast but not before 8:00 am. It has a well-stocked vintage bar which serves lunch and dinner. But for those with a “grander” palette it sports a fabulous restaurant that serves delicious gourmet dinners. The dining room is very popular so be sure to make a reservation.

BOZEMAN, MONTANA

The Holiday Inn Express Hotel & Suites Bozeman West (www.holidayinnexpress.com) (406-582-4995).
The Holiday Inn Express is a small, friendly hotel conveniently located at 2305 Catron Street. The Inn has a breakfast bar that opens at 5:30 each morning, comfortable rooms, pool and exercise facility. They provide shuttle service to the airport. Make your reservations early. The summer is a busy time for tourists while the fall is filled with college related activities.

The C’mon Inn’s heavy timbered look with Montana’s big game animals perched on rocks and above waterfalls has the charm and feel of a mountain lodge. Comfortable rooms, an indoor pool, several hot tubs, a breakfast bar and shuttle service to the airport leave you wanting for little. The Outback Steakhouse is conveniently located next door. The C’mon Inn is located off Interstate 90 at Exit 305 on East Valley Center Road.

DRY FLY FLOATANT
Dear Angler and Adventurer,

We want you to really enjoy your fly-fishing pack trip adventure with us this summer. The intentions of this letter are to limit any confusion about the trip and prepare you as much as possible. Our goal is to make your fly-fishing pack trip a great experience. Please let us know if there is anything we can do to improve our service to you.

Our wilderness fly-fishing pack trips are run out of Hellroaring Camp, located 8 miles north of Yellowstone National Park. We fish some of the most beautiful streams, high country lakes and rivers that Montana has to offer. Our recommended 6-day fishing trip allows us a half day pack into Independence, a ½ day pack into Hellroaring, 3 full days to fish, and one day to pack out. The horse pack trip to camp is approximately 4 ½ hours through magnificent country. We stop for lunch on the Hellroaring Divide, a ten-thousand-foot pass from which the views are spectacular. Our string of horses and mules are dependable. Previous riding experience is helpful but not required.

Once in camp, you can relax by the creek and enjoy beautiful Bull Moose Meadow. Your sleeping accommodations are in comfortable, carpeted, wall tents with foam padded cots and wood stoves. Propane lanterns are available, but most people prefer their head lamps. There are 2 to 4 anglers per tent. A hot shower is also available. We eat in a central eating tent with delicious food prepared by our camp cook. Please let us know of any special dietary needs in advance. If you want any alcoholic spirits be sure to purchase them before leaving Bozeman or Big Timber.

Fishing each day will begin after breakfast. We ride and walk to our various fishing destinations. The creeks and lakes are inhabited by native cutthroat trout. You can spin cast or fly fish, but fly fishing is our preference. Even the novice will catch fish in these waters. The water is cold so depending on your tolerance level you may want to bring waders.

Please remember to clean all sandals, boots and waders before coming on your trip in order to help protect our waters and wildlife. A good cleaning with 409 will do the trick. Note that Montana is asking its anglers to use rubber bottom sandals, boots and waders instead of felt. This is due to the spread of invasive species that can occur with felt.
Flies that typically work in the areas you'll be fishing include streamers, attractor drys, natural drys and nymphs. You will find a backcountry fly list with the Wilderness Fishing Equipment and Clothing List. We usually catch and release. Sometimes we pack the mules with kitchen equipment, so you can enjoy your catch for lunch.

If you do not want to fish every day there are many ways to enjoy the backcountry. You could spend your days exploring, riding or hiking to various destinations. These might include a hike atop mountains exceeding 10,000 feet in elevation, horseback rides with spectacular views, photography trips filled with abundant wildlife or meadows lush with wildflowers. Maybe you would rather read a book, journal, meditate or paint by one of the pristine streams or high-country lakes.

Our guides are well acquainted with the areas where you will be riding, hiking, fishing, and exploring. They are experienced outdoorsmen and flexible to your needs. Whatever your endeavor, our guides are there to assist you every step of the way.

The weather in July and August is usually very comfortable. Daytime temperatures range from 60 to 80 degrees. On clear nights the temperatures can range from 20-40 degrees. However, the Absaroka-Beartooth Wilderness weather is variable. Prepare for the changing mountain weather. Be sure to check ABO's suggested Fishing Equipment & Clothing List.

The most important thing to remember is a great attitude. Be ready to enjoy an adventurous trip and the special things the mountains have to offer. This will be one for the memory book!

Sincerely,

Cameron S. Mayo
